Alderman McDowell called the Planning & Zoning Committee Meeting to order.

McDowell stated that we would be discussing the zoning related to sell Cannabis and turned over to Attorney Konzen.

Attorney Konzen stated that we have discussed with the Police Chief and others; location, security and hours of operation. The area we have been looking at is on route 3 because we would get Missouri clientele.

Mayor stated that there are several things we need to look at; a grow facility; we would need to address that the smoke would not be allowed in public so we would have a designated area or two. The planning of the area is important.

MOTION By McDowell, second by Pickerell to designated Route 3 corridor as the area for the Sale of Cannabis in the future. ALL VOTED YES. Motion Carried.
